
twisted-hl7 renamed to txHL7 Documentation

Release 0.3

John Paulett

November 06, 2014

twisted-hl7 has been renamed to txHL7, to better follow twisted's [Community Code](#) recommendations.

New doc location: <http://txhl7.readthedocs.org>

Please rename imports from `twistedhl7` to `txHL7` and update `setup.py` or `requirements.txt` references to `txHL7`.
